

# Lexington Middle School Course Information Night

LMS will host information nights  
for parents of rising 6th graders  
who will attend Lexington Middle School in 2018-19

**Lake Murray &  
New Providence  
Tuesday, February 13  
6:00-7:00  
LMS Theater**

**Lexington & Midway  
Elementary  
Thursday, February 15  
6:00-7:00  
LMS Theater**

If the night designated for your school does not work for you, feel free  
to come on the other night.

Come learn about the International Baccalaureate Middle Years Program, course offerings, the course selection process, and how LMS inspires, prepares, and empowers our students to make their world a better place!

This meeting will not replace the spring parent meetings about transitioning to middle school, but will help you and your child make the most informed class choice decisions for next year.
